

# ADMISSIONS 2019 SITE PREFERENCE FORM

Filton Avenue Primary School operates over 2 sites. For admissions purposes, home to school distances are calculated to a single point on the Lockleaze Road site. Applicants must apply through Bristol City Council or their home local authority for a Reception place. Please visit [www.bristol.gov.uk/admissions](http://www.bristol.gov.uk/admissions) to apply.

In addition to the main application, applicants for September 2019 Reception places can complete this form if they wish to specify a preference as to whether their child attends Lockleaze Road site (90 places) or Orchard Campus (30 places). The School operates an additional separate process to decide which site can be offered.

Please return this form to the school, once your application for a school place has been made with Bristol City Council or other home local authority.

Child's forename(s):	Child's surname:
Male: <input type="radio"/> Female: <input type="radio"/>	Date of birth:
