

PE and Sport

The PE and Sport Allocation is funding provided to schools in addition to main school funding. This funding can only be spent on the provision of PE and sport in schools.

Using this funding, at Filton Avenue we aim to

- Improve play and playtime across the school
- Develop the breadth and quality of the PE curriculum in all classes
- Increase the PE skills of all pupils
- Increase the opportunity of pupils during the school day and after school
- Develop participation in sports and competitions in the local area and region
- Invest a portion of the grant to leave the school with a legacy of improved practice, curriculum, resources and involvement beyond the funded period

We have invested in:

- Outdoor Play and Learning (OPAL) programme and Purposeful Play
- Training and Development
- Equipment
- Competitions and Opportunities
- Bristol Sport Foundation
- Real PE Curriculum – including real Legacy
- Swimming

PE and Sport cont.

Real PE

Real PE is a unique, child centred approach that transforms how we teach PE to include, challenge and support EVERY child. Real PE focuses on the fundamental skills and develops these key skills across the academic year; Creative, Cognitive, Health and Fitness, Physical, Social and Personal.

Bristol Sport Foundation – Active. Healthy. Happy

The purpose is to use the power of sport to break down barriers and bring about real, tangible changes to the lives of the people that we work with. Through delivering life-changing interventions every day of the week.

Bristol Sport Foundation will be providing lunchtime clubs, an after-school club programme and weekly lessons during the school day as well as following the 'We Love Sport' physical literacy programme.
