Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our students so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all students should be able to tell and know that incidents will be dealt with promptly, severely and effectively. This means that anyone who knows that bullying is happening is expected to inform members of staff.

What Is Bullying?

Bullying is the use of aggression with the intention of hurting another person either physically or emotionally, by intimidating or demeaning others. It is repeated behaviour and is a conscious attempt to hurt, threaten or frighten someone. Bullying results in pain and distress to the victim.

Bullying can be, but not limited to:

- Emotional: Derogatory name calling of an insulting and/or personal nature. Demanding money, material goods or favours by means of threat or force.
- Physical: Pushing, kicking, hitting, punching or any use of violence because of some perceived physical, economic, sexual, intellectual, cultural or racial difference.
- Racist: racial taunts, graffiti, gestures
- Sexual: Unwanted physical contact or sexually abusive comments
- Homophobic: because of or focussing on the issue of sexuality. Homophobic, bi-phobic and transphobic (HBT) bullying is unacceptable
- Verbal: name-calling, sarcasm, spreading rumours, teasing, abuse and threats. Ridiculing an individual.
- Cyber: All areas of internet, such as email & internet chat room misuse. Mobile threats by text messaging & calls. Misuse of associated technology, i.e. camera & video facilities

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Students who are bullying need to learn different ways of behaving.

Objectives of this Policy

- All stakeholders should have an understanding of what bullying is.
- All stakeholders should know what the school's policy is on bullying and follow it when bullying is reported.
- All students and parents/carers should know what the school's policy is on bullying and what they should do if bullying arises.

- As a school we take bullying seriously. Students and parents/carers should be assured that they will be supported when bullying is reported.

- To promote open management styles which facilitate communication and consultation within school and relevant agencies when appropriate
- To promote the use of interventions which are least intrusive and most effective

Signs and Symptoms

A student may indicate by signs or behaviour that he or she is being bullied. All adults should be aware of these possible signs and that they should investigate if a student:

- is frightened of walking to or from their school
- doesn't want to go into particular areas of the school e.g. toilets, library, dinner hall
- is unwilling to go to school
- becomes withdrawn, anxious, or lacking
- changes in behaviours and appearance

These signs and behaviours could indicate other problems, but bullying should be considered a possibility and should be investigated.

Procedures

1. Report bullying incidents to staff or LT.
2. The incidents will be recorded by staff.
3. Parents/carers should be informed and will be asked to come into a meeting to discuss the problem.
4. If necessary and appropriate, police will be consulted.
5. The bullying behaviour or threats of bullying must be investigated, and interventions carried out quickly to support the victim and help the bully to change their behaviour.
