This includes hazelnut spreads such as nutella, peanut butter and chocolate bars with nuts.

We appreciate your support with this.

Class Dojo

Whole School approach

Behaviour

Bullying of any kind is never acceptable behaviour at our school.

If bullying does occur, all students should tell a member of staff so that incidents can be dealt with promptly and effectively.

Our definition of bullying:

Bullying is the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online.
