Nut Allergies:

Some of children at school have severe nut allergies. Please help us support everyone by ensuring that you do not bring peanut and tree nut products to school.

This includes hazelnut spreads such as nutella, peanut butter and chocolate bars with nuts.

We appreciate your support with this.

Bullying of any kind is never acceptable behaviour at our school.

If bullying does occur, all students should tell a member of staff so that incidents can be dealt with promptly and effectively.

Our definition of bullying:

Bullying is the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. Bullying can be physical, verbal or psychological. It can happen face-to-face or online.

How we keep you safe:

If you are concerned about the welfare of any child or adult then please discuss this with a member of the Safeguarding Team.

We have a Safeguarding Team that is always happy to help in whatever way they can!
